

Redwood League Meeting Minutes 11/6/2000

RWL Inc. November Main Meeting, 11/6/2000

Meeting was brought to order at 8:15pm at T&B's in Belmont

The reading of the minutes of prior meeting was waived and they were approved.

No treasurer's report.

Registrar's Report: 1982 kids registered this season. Numbers were perfect with the state and uploading is complete. The new Windows application will be ready soon. Next year club registrars will do all their own inputting (Burlingame and Palo Alto did it this year) and printing and the registrar will then review it and process it through the District.

Referee's Report: Any coaches who don't want to play at Mission League for the remainder of the season they may request to play here and their request will be honored.

Scheduler's Report: Report scores by the end of the season.

Publicist's Report: District 2 Cup for the u9-u13 boys and girls will be on December 9 & 10. The hosting leagues are Santa Cruz, Gavilan, Almaden, Santa Clara. Check D2 website for more information in the coming weeks.

MJ noted that Abronzino deducted 3pts for non-attendance at their mandatory coaches meeting as opposed to zeroing out teams whose coaches did not attend. This is probably a more reasonable and appropriate penalty and should be considered.

No Vice President's report.

President's Report:

At Board meeting we discussed replays.

Next year we plan to work more and more with the clubs. Will be crafting a 5 year plan. There is the possibility of getting some grant money for lights for fields and the new turf (fifa grass) as well. USSF is granting.

League teams? What can we do to offer better opportunities for our players.

Referee Class: Will be March 2 & 3 and March 9 & 10. Possibly at Cubberly.

Association Cup will be open for the 15s and up but might be first come, first served. Small window to apply.

Random draw will be used.

Turn in application if you want to go. It is unclear how they will do the u12 and u14s. Check d2 website for info.

Old Business

The CIF ruling regarding CCS soccer and club soccer was once again read. No organized competitions but practice is fine.

PA Adult league might be an option for players who are not playing in CCS.

New Business

Javier Galaviz: Need a better procedure for handling red cards. Especially in Abronzino.

Javier will work on a proposal for us to consider and present to Abronzino.

U12B Juventus Strikers are having trouble getting refs.
